A

AUSSCHREIBEN.DE

The building technology portal for specifications in the tendering process.

ORCA Software GmbH specializes on developing and distributing software solutions for the construction industry - since 1990.

In 2002, ORCA launched the thriving internet portal AUSSCHREIBEN.DE. Here you get the chance to be brought in conctact with 9,000 architects, building and building services engineers as well as craftsmen.

AUSSCHREIBEN.DE

Target group and online performance.
